MOVEMBER

It's that time of year, and the Club All-stars are back! Following the tradition any member or their guest are welcome to join the team. Participating males are sponsored to grow a moustache for 30 days, raising funds for men's health research and programs.

This work is saving and improving the lives of men affected by prostate cancer, testicular cancer and mental problems.

Club staff are generously donating all bar tips from the month to this worthy cause. So dig deep. The Club is hoping to raise over $2,000 this year.

Sign up can be done at the bar.

Live entertainment with "New Tricks" will be performing on the presentation night which will determine the "Best Mo".

At 11am on the 11th November 1918, four years continuous fighting. The eleventh hour of the eleventh day of the eleventh month reached a special significance in the post-war years, universally associated with the remembrance of those who had died in the war. This first modern conflict had mobilised over 70 million people and left between nine and thirteen million dead with as many as one third of these with no known graves. The Allied nations chose this day and time of the commemoration of the war dead. LEST WE FORGET.

There will be a Commemoration Service held at 10.45am at Club Willoughby Memorial Obelisk facing Penshurst Street. Everyone is welcome.

CLUB MINOR WORKS

All members and guests will be required to access the Club through the main foyer in line with our obligations under the Registered Club Act.
