

13 April 2017

Dear Club Willoughby Member,

We are writing to you to introduce the moment you have all been waiting for, the commencement of the most exciting concept our 60- year-old club has ever embarked upon. A new Club for the Future, a new Future for the Club.

The *Heart of Willoughby* will introduce something very different and exciting to the municipality of Willoughby, a brand new licensed club adjoining a lifestyle retirement village and ancillary retail/commercial facilities.

Sitting in the geographical heart of Willoughby is Club Willoughby, soon to be transformed to “the place to be” destination for the entire Willoughby community.

The Heart of Willoughby development promises to be the iconic focal point of a strong, connected and harmoniously integrated community; where the young and the elderly, new and old residents come together as one.

You are now able to access a new website, www.heartofwilloughby.com.au, either directly or by link from the Club’s website, www.clubwilloughby.com.au, or that of the Club’s development partner, Hyecorp Property Group (www.hyecorp.com.au).

Please visit the website and list your details as we will be communicating with you through that medium to keep you up-to-date with all stages of the project and invite you to information events that will happen in coming months.

Please make sure your contact details are up-to-date and if you have an email address and/or mobile phone for contact, this will make it a whole lot easier for us to keep you up-to-date as the project materialises. Please go to the website and register your contact details.

If you have any questions about this exciting new project, please don’t hesitate to send an email to: contact@heartofwilloughby.com.au

Sincerely,

Jack Seatter
President
Club Willoughby

Stephen Abolakian
Managing Director
Hyecorp Property Group
